Section 1: Physiotherapist Intern Undertaking

1. I understand and agree to comply with the conditions associated with my registration on the Provisional Register, namely to:
    - Only perform pelvic health internal examinations when my supervisor is present AND able to observe and promptly intervene as required by the Physical Therapists Professional Regulation, Section 16(5).
    - Only perform pelvic health internal examinations when supervised by the supervisor named in this agreement. A transfer of supervision to another physiotherapist requires a new approved supervision agreement.
    - Notify the College of Physiotherapists of Alberta if my supervisor(s) change, prior to the change occurring.
2. I have read and understand the College of Physiotherapists of Alberta's Supervision Resource Guide for Alberta Physiotherapists.

Section 2: Supervisor Undertaking

1. I agree to supervise the above Physiotherapist Intern's practice at the practice site indicated above to ensure the delivery of safe, ethical and effective physiotherapy services.
2. I understand my key responsibilities are to:
    - Only supervise pelvic health (internal examinations) performed by the Physiotherapist Intern if I, myself, am authorized to perform them.
    - Only supervise activities I am competent to perform.
    - Ensure the Physiotherapist Intern is authorized prior to allowing them to perform pelvic health internal examinations.
    - Provide direct supervision of the Physiotherapist Intern's practice of pelvic health (internal examinations) at all times.
        -I acknowledge that direct supervision means that I am present and able to observe and promptly intervene at any time the Physiotherapist Intern is performing a pelvic health internal examination, as this method of supervision is required by the Physical Therapists Professional Regulation, section 16(5).
    - Ensure my employer understands my professional obligations regarding supervision of the restricted activity, and how supervision of pelvic health internal examinations differs from general supervision of Physiotherapist Interns.
    - Arrange for the transfer of supervision to another physiotherapist on the General Register who is authorized to perform pelvic health (internal examinations) when not available. A transfer of supervision to another physiotherapist requires a new approved supervision agreement.
    - Take timely action if any aspect of the Physiotherapist Intern's physiotherapy practice fails to comply with the Standards of Practice, Code of Ethical Conduct or legislation relevant to their practice.
    - Intervene or withdraw from providing supervision if there are patient safety concerns or risk of harm resulting from the Physiotherapist Intern's care and communicate with appropriate authorities as necessary.
    - Notify the College of Physiotherapists of Alberta if I am no longer able or willing to continue supervision of the Physiotherapist Intern.
3. I have read and understand the College of Physiotherapists of Alberta's Supervision Resource Guide for Physical Therapists.
